

Second Harvest of the Greater Valley is overjoyed to welcome the community to our annual **Chili Pot Cook-Off on Saturday, April 20, 2024**. Join us as we continue to fill tummies and provide hope to our community. This year's event will be held at the Manteca Transit Center, 220 Moffat Blvd. Manteca CA. Hunger has not stopped, in fact, it's more prevalent now than ever before with rapidly rising food costs, higher-than-average rents, and life in general. We continue to see increased demand for our services with no signs of them leveling out. Now more than ever, we need the support of our local business community.

Our chili cook-off is a relaxed, family-friendly event that features delicious homemade chilies, a robust raffle, and a live auction. If you can support this one-of-a-kind event, please return this form or the form on our website no later than **April 5, 2024**.

Items that are often donated and do very well are branded merchandise, gift certificates, special chef dinners, etc. No object is too or donation is too small and each one helps move our mission forward.

We thank you for your continued belief in our mission of shortening the distance between hunger and hope and look forward to this being a successful night of giving and partnership.

Thank you for your continued support,
