10:00 AM – 1:00PM

The Veranda Gardens

2111 W. Moffat Blvd.

Manteca, CA 95336

SPONSORSHIP DEADLINE:

Saturday, September 7, 2026

In San Joaquin and Stanislaus counties, food insecurity continues to impact thousands of families each day. More than 15% of our neighbors, including one in five children, struggle with not knowing where their next meal will come from. At Second Harvest of the Greater Valley, we are working every day to change that. Every day, we support a network of community partners, schools, and pantries, ensuring that healthy food reaches tables across our service area. Our mission is clear: feeding our community through our partnerships.

We are reaching out to you today with an opportunity to impact our community through a strategic partnership aimed at expanding access to nutritious food for families in need. We are undertaking a campaign to raise **\$150,000** to support our hunger-relief efforts across the region. This initiative is more than a fundraising goal, it is a commitment to creating brighter, healthier tomorrows. Every dollar raised brings us one step closer to a hunger-free community.

Here's the Potential Impact:

With your support, we will provide hundreds of thousands of nutritious meals rich in fresh produce and essential nutrients to neighbors in need across our region. Our campaign goal of \$150,000 will help us reach more households, strengthen our network of community partners, and ensure that individuals and families have consistent access to the nourishment they need to thrive.

Your Role in This Vision:

By partnering with Second Harvest of the Greater Valley, you help power the work that keeps our mission moving ensuring neighbors across San Joaquin and Stanislaus counties have reliable access to nutritious food. Here's what your support helps make possible:

Flexible Impact, Real Results

Your support fuels the core of our operations, allowing us to meet urgent needs, adapt to rising demand, and serve our community with efficiency, dignity, and care.

Meaningful Recognition

We proudly highlight our partners across event materials, digital platforms, and community communications honoring your commitment to making a difference.

Stronger Community Connection

This partnership amplifies your presence in the community and showcases your leadership in creating lasting change, a bold step toward a future where every neighbor has the food and support they need to thrive.

Together, We Can Make a Difference

This campaign marks a shift toward greater efficiency and deeper impact in our fight against hunger. We invite you to stand with us at the forefront of this effort. Your support won't just make a difference today it will echo across the community for years to come.
